

Snap Frame LED Light Boxes

Snap Frame LED Light Boxes feature an edge-lit LED diffuser panel, a thin 1" profile and easy-to-use snap frame. The LED diffuser panel ensures even light distribution and brightness. Silver frames snap open from the front to allow quick and easy graphic changes. No tools are required. Comes standard with clear protective lenses, fully assembled and ready to hang! Snap Frame LED Light Boxes are ideal for permanent retail displays, corporate environments, eye-catching tradeshow graphics and more.

features and benefits:

- Only 1" thick (single sided only)
- 50,000 hour bulb life
- Power supply with 78" cord
- Evenly distributed light
- Snap frames allow easy graphic changes
- Wall mounting hardware included
- Five standard sizes available
- No tools required
- One year limited hardware warranty against manufacturer defects
