## Flip Kits: Kit #3

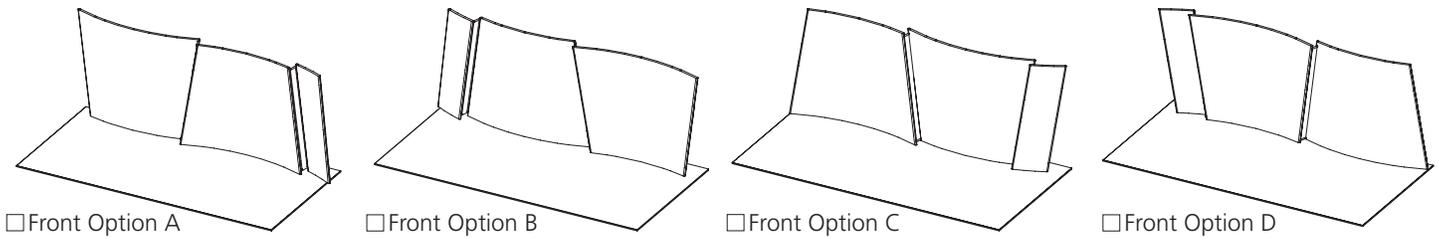

Double-sided graphics for the **SPIN** option work great for an island display or can be re-purposed at a different tradeshow. The graphics will be printed sewn together as a pillowcase.

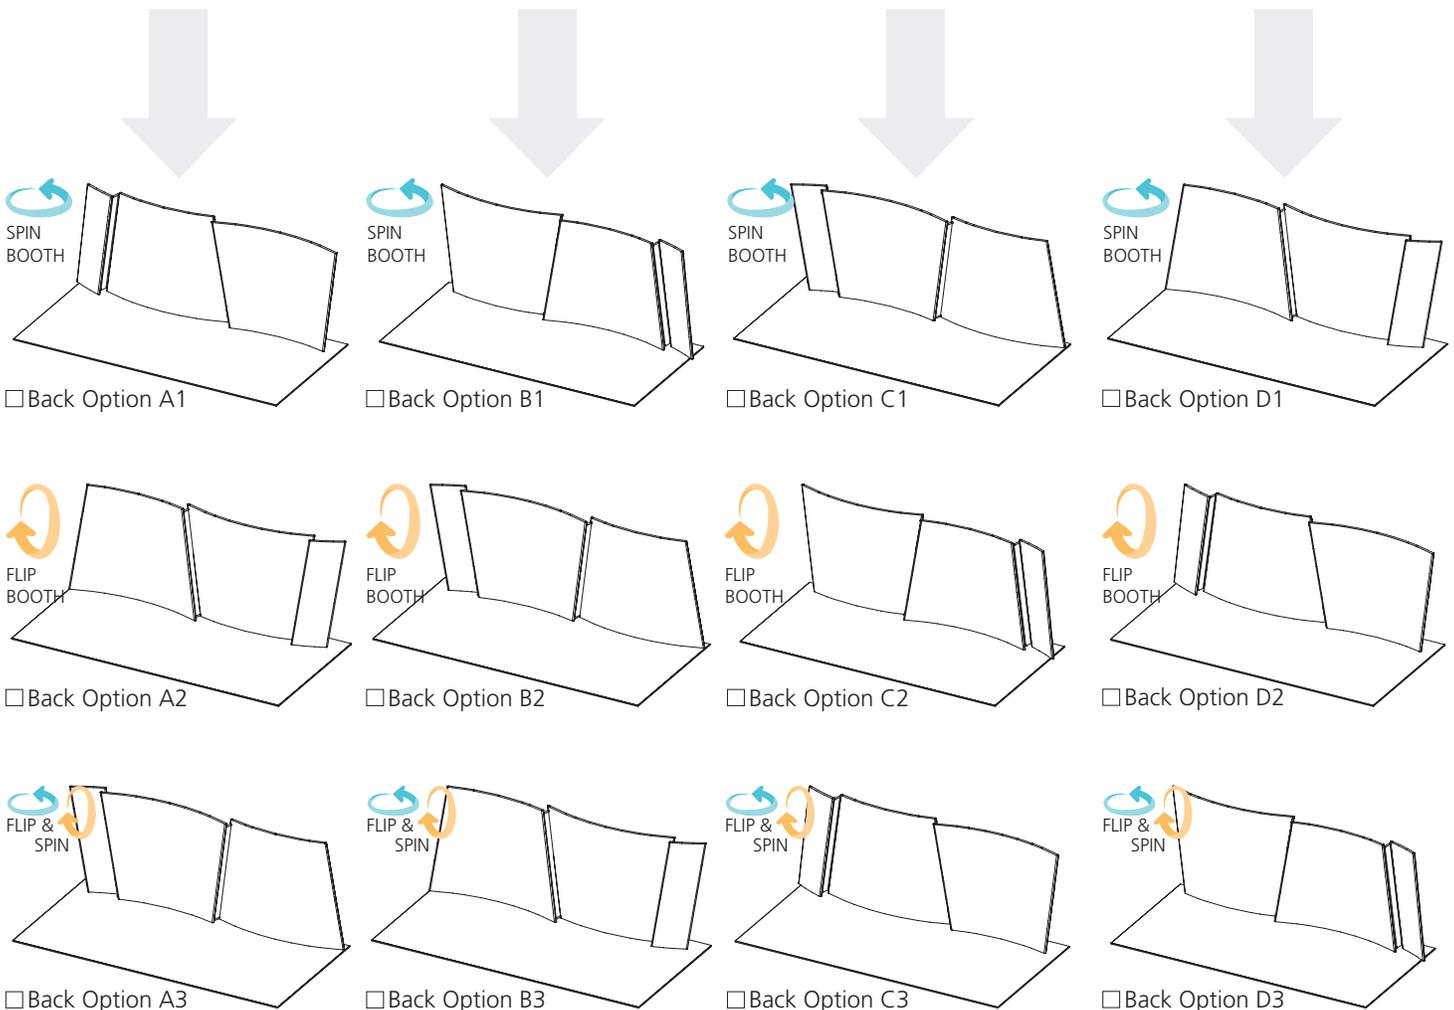

Double-sided graphics for the **FLIP** option work great for utilizing the same booth for multiple tradeshows or events. The graphics will be printed sewn together as a pillowcase. Please note that the "flipped" backside of the graphics will be sewn upside down. Also, one side will have zippers on the bottom but when flipped, they will be located on the top.

Double-sided Option 3 **SPINS & FLIPS** in orientation and require purchasing 2 sets of single sided graphics. All graphics are printed on our power stretch.

Step 1, Pick a desired front view for your kit. If only ordering a single sided graphic, you will be done completing this form after this step.

Step 2, If only ordering a double-sided graphic, please select one of the options for the backside listed below.
