

1.

Place the capsule over the base on a solid, flat surface .

2.

Firmly press the capsule into the base until it snaps into position.

3.

Check to see that all 4 snap tabs have seated into the base.

4.

Fold your 8.5" x 11" paper lengthwise with a gentle crease.

5.

Insert the paper into the capsule top-side first.

6.

Spread the sides of paper apart so they fill the capsule walls.

7.
